The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Residential Street Lighting Project in Fiscal Year 2027. The entity to receive funding for this project is the County of Bexar located at 100 Dolorosa, San Antonio, TX 78205.

This funding would be used to install streetlights in unincorporated portions of Bexar County where there is a high occurrence of traffic related severe injuries and fatalities in unlit areas.

This project is an appropriate use of taxpayer funds as it will improve safety for residents and visitors who live in unincorporated portions of Bexar County.

The project has a federal nexus because the funding provided is for purposes described in Section 5305(a)(2) of the Housing and Community Development Act of 1974 (Public Law 93-383), as amended.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro
Member of Congress
