The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Corazon: The Resource Hub project in FY 27. The entity to receive funding for this project is City of San Antonio, Texas, located at 100 Military Plaza, San Antonio, Texas, 78205.

This funding would be used to construct a new resource hub in the near downtown area to serve the growing number of homeless people living on the streets. This new facility would increase meal production, transform more clients, engage more volunteers, and in general grow all existing aid programs.

This project is an appropriate use of taxpayer funds because it will fulfil a need for additional housing services for homeless residents of San Antonio, Texas. This will ensure that people are sheltered as they transition to more stable environments or seek treatment for their mental health, physical health and substance use issues.

The project has a federal nexus because the funding provided is for purposes described in Section 5305(a)(2) of the Housing and Community Development Act of 1974 (Public Law 93-383), as amended.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro
Member of Congress
