The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Judson and Lookout Roads Low Water Crossing Improvements project in Fiscal Year 27. The entity to receive funding for this project is the City of San Antonio, Texas located at 100 Military Plaza, San Antonio, TX 78205.

The funding would be used to design, permit, and construct improvements to two existing low-water crossings at the intersection of Judson and Lookout Roads. These improvements will increase conveyance capacity to reduce flooding and enhance public safety.

This project is an appropriate use of taxpayer funds as the improvements will expand mitigation capacity to reduce flooding in the area.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro
Member of Congress
