The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Antonio Water System's Project Uplift in Fiscal Year 25. The entity to receive funding for this project is the San Antonio Water System, located at 2800 US Hwy 281 N, San Antonio Texas 78212. The funding would be used to repair water leaks in low- and middle-income houses in San Antonio and TX-20. This project is an appropriate use of taxpayer funds because it will ensure that citizens in San Antonio who cannot afford water leak repairs can save money on their water bills, and increase conservation efforts in San Antonio.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro
Member of Congress
