The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City Public Service Board of San Antonio's SaveNow Casa Verde Weatherization Program in fiscal year 2024. The entity to receive funding for this project is the City Public Service of San Antonio, located at 500 McCullough Avenue, San Antonio Texas 78215. The funding would be used to weatherize homes in order to reduce energy costs for residents. This project is an appropriate use of taxpayer funds because it will provide energy cost relief for many residents, allow residents to remain in their home, and overall decrease the energy consumption of the city.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro

Member of Congress
