Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Concepcion Creek – Phase 1 project in fiscal year 2024. The entity to receive funding for this project is the Texas Department of Emergency Management, located at 6502 S. New Braunfels., San Antonio, Texas 78223.

The funding would be used for supporting the City of San Antonio's efforts to mitigate the effects of 100-year floods in the city of San Antonio and prevent the loss of lives and property. The project is an appropriate use of taxpayer funds because it would save lives and prevent future expenditures to rebuild or repair property harmed by flood risks.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro
Member of Congress
