Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for an Electric Shuttle Bus (eBus) Program at the San Antonio Airport in fiscal year 2023. The entity to receive funding for this project is the San Antonio International Airport, located at 9800 Airport Blvd, San Antonio, TX 78216. The funding would be used to purchase of three electronic passenger buses, associated chargers, and design and installation of chargers at the San Antonio International Airport's Consolidated Rental Car Facility. The eBuses will transport passengers safely from parking areas to the terminals.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Joaquin Castro
Member of Congress
