**A BILL**

To provide for an annual report on the prosecution activities of the Coordinator for Caribbean Firearms Prosecutions of the Department of Justice.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Caribbean Arms Traf-  
5 ficking Causing Harm Act” or the “CATCH Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds as follows:

1           (1) According to a 2023 joint report by the  
2 Caribbean Community Implementation Agency for  
3 Crime and Security (IMPACS) and the Small Arms  
4 Survey, the average number of violent deaths in the  
5 Caribbean is nearly triple the global average.

6           (2) According to the United Nations Office on  
7 Drugs and Crime (UNODC), in 2021, Caribbean  
8 countries accounted for six of the world's top ten  
9 highest national murder rates.

10          (3) Law enforcement officials in Haiti, Antigua  
11 and Barbuda, and Jamaica have identified Florida  
12 as a significant source of illicit firearms.

13          (4) According to the United Nations, Caribbean  
14 countries do not manufacture firearms or ammuni-  
15 tion, nor do they import them on a large scale.

16          (5) According to Bahamian officials, over 90  
17 percent of firearms used in homicides and con-  
18 fiscated by authorities in the Bahamas are traced to  
19 manufacturers and retailers in the United States.

20          (6) In 2022, the Department of Homeland Se-  
21 curity's Homeland Security Investigations reported  
22 observing a significant increase in the quantity, cal-  
23 iber, and type of firearms being illegally trafficked  
24 to the Caribbean, including .50 caliber sniper rifles,  
25 .308 rifles, and a belt fed machine gun.

1           (7) According to a 2023 assessment by  
2 UNODC, the flow of illicit firearms into Haiti en-  
3 ables violent gangs and contributes to forced dis-  
4 placement across the country.

5           (8) According to the Migration Policy Institute,  
6 there has been a dramatic increase in migration to  
7 the United States from Haiti in recent years, caused  
8 in part by widespread gang violence.

9           (9) On June 25, 2022, President Joe Biden  
10 signed the Bipartisan Safer Communities Act into  
11 law, which created Federal criminal offenses for fire-  
12 arm trafficking and granted the government new au-  
13 thorities to prosecute these offenses.

14           (10) On November 14, 2022, the IMPACS  
15 launched the Crime Gun Intelligence Unit in part-  
16 nership with United States law enforcement agen-  
17 cies.

18           (11) Located in Trinidad and Tobago, the  
19 Crime Gun Intelligence Unit provides intelligence for  
20 its member states on illicit firearms and ammuni-  
21 tion.

22           (12) On June 8, 2023, Vice President Kamala  
23 Harris announced that “the Department of Justice  
24 will name a Coordinator for Caribbean Firearms

1 Prosecutions who will be an experienced Department  
2 of Justice prosecutor”.

3 (13) On July 5, 2023, Secretary of State  
4 Antony Blinken announced that Michael Ben’Ary  
5 will serve as the Coordinator for Caribbean Firearms  
6 Prosecutions.

7 (14) As of October 31, 2023, the Department  
8 of Justice has prosecuted 207 defendants for fire-  
9 arms trafficking, including 80 defendants for mak-  
10 ing straw purchases, using authorities derived from  
11 the Bipartisan Safer Communities Act.
