The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Pedro Springs Park project for Fiscal Year 2026. The entity to receive funding for this project is the City of San Antonio, located at 100 West Houston Street, San Antonio, TX 78205.

This funding will be used to renovate portions of San Pedro Springs Park in order to increase the accessibility of recreational space to better serve the city's residents with disabilities. This project is an appropriate use of taxpayer funds because ADA renovations are prioritized to improve and accommodate the needs of a diverse population in the City of San Antonio.

The project has a federal nexus because the funding provided is for purposes as described in the Department of Housing and Urban Development Economic Development Initiative 42 U.S.C. 5305(a)(2)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joaquin Castro
Member of Congress
